**Dear Sir/Ma**

**ACADEMIC REFERENCE LETTER: OLOKO, Usman Oriyomi**

I am writing in respect of the bearer seeking admission into the postgraduate programme in your reputable university.

Oriyomi is an averagely motivated, dedicated, intelligent, bright, and result-oriented individual. He is well known to me since his undergraduate programme in the Faculty of Administration and Management Science, as I was one of his course facilitators.

During his undergraduate programme, he demonstrated a sense of academic prowess, integrity and responsibility to her duties, and he was able to work independently on any given academic task. Due to his determination and resilience to succeed, Oriyomi was able to complete his Bachelor of Science Programme, with a Third Class Division in Business Administration in 2018 session. He is intellectual sound, with good aptitude, and capable of independent research.

I wish to particularly recognize him for his motivation for academic pursuit and therefore, *recommend* him for your kind consideration for admission into the programme.

Thank you.

Yours faithfully,

Dr. Olufemi A. Ogunkoya, FCA

Senior Lecturer, Olabisi Onabanjo University, Ogun State, West Africa
